The screenshot shows the SourceForge project page for XAMPP. The page has a navigation bar with 'SOURCEFORGE', 'Open Source Software', 'Business Software', 'Services', 'Resources', 'Menu', and a search icon. Below the navigation bar, there are sections for 'Project Samples' and 'Project Activity'. The 'Project Activity' section lists several releases, with the first one, 'Released /XAMPP Windows/7.3.8/xampp-portable-windows-x64-7.3.8-2-VC15-installer.exe', highlighted by a red dashed box. To the right of the page, there is a blue speech bubble containing the text '2019/08 ごろは、このリンクでダウンロードできるものがおすすめ'. At the bottom of the page, there is a taskbar showing two files: 'php_ast-1.0.3-7.3-t...zip' and 'php_ast-1.0.1-7.3-t...zip'. On the right side of the page, there are two advertisements: one for 'グラフィックデザイナーのための 3Dデザインツール' and another for 'Adobe Creative Cloud'.
